

AKASHA

(Part 1)

Over the desert sand

I see an old man run, I wonder...

Where is he heading for ?

Why does he have to go to Pharaoh ?

Get me to the Land of Ice !

That's where the Spoken Word

Came out of a dream that We once had...

Put it overhead

Or deep into cold water and let it go !

(Part 2)

Walking in Akasha

I'm on my way

What in this woman's voice

Brings every part of me

Back to Cairo ?

Walking in Akasha

Walking in Akasha

I'm on my way

What in this woman's voice

Makes every single eye

Look like a desert ?
