

# *I won't cry*

All of my prayers, lost in darkness. Girls that I've loved and gave my all to, have gone away and disappeared. I've won all the battles you wanted me to win. I have been greater than anyone on earth and now, I am a lonely man. I don't know why I can't control the way it goes... I don't know why the end is near... It's not really fair ! I can remember the day when I was born, two goddesses put the Sun of Eternity over my head...Now, I won't cry, you know... Now, I've got nothing more to hope for, yet I believe that what I have accomplished will make this world a better place to live.
